

{Cheaters} 8 point star

Directions

1. Cut 8 - $4\frac{1}{4}$ " squares from 8 different prints
Cut 4 - $4\frac{1}{4}$ " squares from solid
Cut 4 - $3\frac{1}{2}$ " squares from solid
2. Cut the $4\frac{1}{4}$ " print and solid squares on the diagonal. DO NOT cut the $3\frac{1}{2}$ " squares.
3. Sew together the solid and print combo's as follows:
Print + Solid :: Sew 1 half triangle of each print to 1 half triangle solid.
Print + Print :: Sew 1 half triangle of remaining prints as follows; 1+8, 2+3, 4+5 and 6+7.
4. Square up all your half triangle squares to $3\frac{1}{2}$ ".
5. Sew together as shown in diagram above.
